

APPENDIX A

THE SOLUTION

Call upon the name of the Lord

The Bible says Big Brother will kill millions of people during the Tribulation. During that time the Antichrist will be Big Brother. Yet before the Antichrist comes to power Big Brother before him will also kill millions of people around the world with most being Christians.

If you do not submit to Big Brother and obey his tyrannical commands you may be put to death. It is very noble to die for freedom and liberty, but you will wake up in Hell if you have not trusted in **Jesus Christ** to save you. Trust in **Jesus Christ** to save you and then oppose Big Brother. If you are put to death by him you will awake in the presence of **Jesus** in Heaven.

If you have not trusted **Jesus** to save you, do it now! Read the following Scriptures:

For all have sinned, and fall short of the glory of God. (Rom. 3.23)

*For the wages of sin is death, but the free gift of God is eternal life in **Christ Jesus** our Lord. (Romans 6.23)*

*But God commendeth his own love toward us, in that, while we were yet sinners, **Christ** died for us. (Romans 5.8)*

For by grace have ye been saved through faith; and that not of yourselves, it is the gift of God; not of works, that no man should glory. (Ephesians 2.8-9)

In whom we have our redemption through His blood, the forgiveness of our trespasses, according to the riches of His grace. (Eph. 1.7)

For, whosoever shall call upon the name of the Lord shall be saved. (Romans 10.13)

*If thou shalt confess with thy mouth **Jesus** as Lord, and shalt believe in thy heart that God raised Him from the dead, thou shalt be saved: for with the heart man believeth unto righteousness; and with the mouth confession is made unto salvation. (Romans 10.9-10)*

But as many as received Him, to them gave He the right to become children of God, even to them that believe on His name. (John 1.12)

If you understand you are a sinner in need of salvation because there is a real Hell, ask **Jesus** to save you right now. Tell Him that you are trusting in Him to save you and cleanse your sins by the blood He shed on the cross.

Once you have trusted in **Jesus**, and in Him alone to save you, find a good Bible teaching church to join. If you need help locating a church call Grace Mercy Ministry (928.237.5351).

Discipleship

Jesus commissioned His disciples to be His witnesses to His resurrection, and to make disciples of all nations:

Go ye therefore, and make disciples of all the nations, baptizing them into the name of the Father and of the Son and of the Holy Spirit: teaching them to observe all things whatsoever I commanded you: and lo, I am with you always, even unto the end of the world. (Matthew 28.19-20)

But ye shall receive power, when the Holy Spirit is come upon you: and ye shall be my witnesses both in Jerusalem, and in all Judaea and Samaria, and unto the uttermost part of the earth. (Acts 1.8)

That commission applies to all true believers. Once a person is saved by trusting in **Jesus Christ** alone, he is to become a *disciple* of **Jesus**. One does that by engaging in several spiritual activities on a daily and a regular basis:

- 1-Prayer throughout the day (Ephesians 6.18; 1 Thessalonians 5.17)
- 2-Hearing Scripture daily (Prov. 8.34; Luke 8.15, 21; 11.28; James 1.22; Revelation 1.3)
- 3-Reading Scripture daily (Deuteronomy 17.19; Revelation 1.3)
- 4-Bible study on a daily basis (John 5.39; Acts 17.11; 2 Tim. 2.15)
- 5-Memorization of Scripture (Deuteronomy 6.6; Psalm 37.31; 40.8; 119.11; Proverbs 2.1; 3.1, 3; 4.1).
- 6-Meditation on Scripture (Joshua 1.8; Psalm 1.2)
- 7-Fellowship with the brethren (Acts 2.42, 46-47; Hebrews 3.13; 10.24-25)
- 8-Evangelism through living a holy life, and sharing your testimony as the Holy Spirit leads (Psalm 96.2; Acts 2.47; 1 Peter 3.15).
- 9-Make disciples (Matthew 28.19-20; 2 Timothy 2.2)

If a Christian develops a discipline in these basics of holy living he will become a *disciple* of **Jesus Christ**. It does not happen overnight. It takes many years to become a mature *disciple*, but it starts with the daily discipline of being in prayer, in the Word and in regular fellowship with other Christians.

Find a church and become an active member. Pray in the morning, throughout the day and before you go to sleep. Set up a daily Bible reading program. If you read three chapters a day you will read through the Bible in a year. Read two chapters in the Old Testament each day and one chapter in the New Testament. Buy an audio copy of the Bible, and listen to it at home and in the car. Buy DVDs of movies about the Bible and watch them often (*The Gospel of John, Peter and Paul, The Greatest Story Ever Told, King of Kings*, etc.). Memorize Scripture. If you memorize one verse a week you will have 52 verses memorized in one year. Meditate on Scripture and let the Holy Spirit teach you. Learn how to share the gospel. Ask your pastor to train you, and then share your personal testimony, and the gospel as the Lord leads.

Spread the word

Share the knowledge that you have about Big Brother with others. Share this book with others or buy copies for your friends and family. Buy DVDs that expose the machinations of Big Brother and then share them with others.

Two web sites where you can buy numerous DVDs that expose Big Brother and his goal of creating a New World Order are:

Become self-sufficient

The best way of resisting Big Brother after trusting in Jesus Christ and boycotting Big Brother companies is to become self-sufficient. If you live in a big city, an apartment, condo or townhouse it is virtually impossible to be self-sufficient. Yet there are some things you can do to keep from being at the mercy of Big Brother during crisis situations:

1. Have several months of food and water stored up.
2. Have first aid supplies.
3. Have a back-up generator that runs on something you can store safely. Solar generators are excellent.
4. Have candles and flashlights.
5. Have an escape route laid out in case you must flee the city.
Travel on side streets and do not use major streets, highways or freeways. If you cannot get out in a vehicle use motorcycles, bikes or walk out only in a life and death situation.
6. Have travel bags/suitcases and supplies handy for your getaway.
7. Have cash, gold and silver to make purchases with in the underground market.

8. Have weapons **IF** you know how to use them. **IF** you do not know how to use them do **NOT** buy them.
9. Have friends you can trust to work with in an emergency.
10. Do **NOT** let anyone know that you are self-sufficient except your most trusted friends. Keep a low profile.

Stay healthy

The key to having a healthy body is knowledge. Always get proper sleep and exercise. Drink pure water and replace unhealthy foods with healthy ones. Keep replacing junk foods with good foods until all you eat is healthy foods that will keep your body in tip-top condition. Whenever possible buy organic foods. Below is a chart of “healthy” and “unhealthy” foods. Try to eat as many of the “healthy” foods as you can and as few of the “unhealthy” foods as possible.

Healthy Foods	Unhealthy Foods
Fruits	Alcohol
Vegetables	Sugar (raw/in processed foods)
Raw cereals (no sugar/additives)	Sodas
Nuts	Coffee
Seeds	Milk
Eggs	Ice cream
Legumes (beans)	Cheese
Grains (rice, corn, millet, rye)	Cottage cheese
Stem tubers – potatoes	Yogurt
Root tubers sweet potatoes/yams	Meat
Peppers	Fish
Herbs	Fowl
Allium (onions, garlic, shallots, scallions, leeks, chives)	Processed foods (Most foods in boxes, cans and packages.)

If you eat any of the unhealthy foods listed above buy organic only. To learn more about the dangers of the **Standard American Diet** that has killed millions of Americans watch the movies “Diet for a New America,” “Fast Food Nation,” “Food, Inc.” and “Killer at Large.” Also watch the video “Food: The Ultimate Secret” (www.infowars.com/food-the-ultimate-secret-exposed), read the book by Eric Schlosser, *Fast Food Nation*, and also read the articles at www.naturalnews.com.

There are other dangers not only in the food we eat, but the water we drink. To learn about the dangers of fluoridated water check these links: www.radioliberty.com/nldec04.html & www.naturalnews.com/fluoride.html.

There is also a danger in vaccines. To learn about these dangers visit this web site: www.naturalnews.com/vaccines.html. One last danger to consider is the cell phone. For articles concerning this go to www.naturalnews.com/cell_phones.html. For help on nutrition visit these websites:

Alcohol, drugs, thrill seeking

And be not drunk with wine, wherein is excess; but be filled with the Spirit. (Ephesians 5.18)

Abuse of alcohol and drugs (legal and illegal) is one of the leading causes of crime, loss of work productivity and divorce. They will continue to be abused until the Second Advent of Jesus Christ. During the Tribulation drug addiction will be universal. Virtually everyone will be a drug addict of some kind whether it is a legal or illegal drug (Revelation 9.21; 18.23).

No Christian should ever become intoxicated with alcohol or drugs. If you do not get “high” by studying the Bible there might be something wrong with you. Studying the Bible is the most exciting thing any Christian can do. There is nothing a Christian can do in this life that is more exciting than studying the Bible.

Alcoholics get “high” by drinking a few beers at the beginning, but eventually downing a six-pack is not enough. They have to move on to more powerful drinks to get “high.” Some end up drinking themselves drunk every night.

Drug addicts start with a weak drug but the “high” they get is not that big so they take more of the drug or they move on to more potent drugs. Many drug addicts get to a point that no matter how powerful a dose they take they cannot get “higher.” The only way they can get “higher” is to over-dose themselves into Hell.

There are also thrill-seekers who seek out all sorts exciting activities, but after they have done them a few dozen times the thrill is not the same. They seek something bigger, better, faster and scarier. Some of these thrill-seekers end up dying from pushing too hard.

Thrill-seekers run out of things to do to give them a “rush.” Christians can get “high” and get a greater “rush” than anything natural man can experience by studying the Bible. Studying the infallible, holy Word of God is more thrilling than anything you can imagine. The Bible is God revealing Himself to you. The more we study His Word the more learn about Him and get to know Him.

Resist!

ALL Christians are commanded to resist evil men by keeping the Constitutional laws of the land:

Those who forsake the law praise the wicked, but those who keep the law strive with them. (Proverbs 28.4)

When Christians resist wicked men they are blessed by YAHWEH:

But to those who rebuke the wicked will be delight, and a good blessing will come upon them. (Proverbs 24.25)

It is hard for most Christians to understand the truth that we are not to envy the wicked or admire them whether they are a sports figure, a rock idiot, an actor, a singer, a politician, etc.:

Do not let your heart envy sinners, but live in the reverence of YAHWEH always. (Proverbs 23.17)

Do not be envious of evil men, nor desire to be with them. (Proverbs 24.1)

Resist Big Brother and his evil minions in every legal way you can!

APPENDIX B

GRADUALISM

World religion, economy and government

Big Brother cannot establish a planet-wide dictatorship overnight. History shows that he has built his near-dictatorship over decades and he still has a couple decades left before he places the capstone on his satanic creation.

The immediate goal of Big Brother is to establish a world religion, a world economic system and a world government. He has been working to do this since the late 19th century. He began with the first Parliament of World's Religions in 1893 which brought together leaders of the Roman Catholic Corporation, Protestants, Muslims, Hindus, Buddhists, Theosophists and other religions. A parliament meeting was held on the 100th anniversary in 1993 and other meetings in 1999, 2004, 2007 and 2009. He has also created several interdenominational and interfaith organizations – the International Council of Religious Education (ICRE) (1905), the Federal Council of Churches (1908), the International Missionary Council (IMC) (1921), World Council of Churches (WCC) (1948), the National Council of Churches (NCC) (1950), the Conference of European Churches (CEC) (1959), the Three Faiths Forum and the Christian Churches Together (CCT) (2006). The ICRE and FCC merged in 1950 to form the NCC and the ICM merged with the WCC in 1961.

Big Brother has created financial institutions which have been working together to form a world economic system. The most prominent of these are the – Federal Reserve Corporation (1913), Bank for International Settlements (1930), International Monetary Fund (1944), World Bank (1945).

Various economic organizations have been created to help establish a world economy – Organization for Economic Co-operation and Development (1948), Council of Arab Economic Unity (1957), European Free Trade Association (1960), Group of 77 (1964), Council of the Americas (1965), Americas Society (1965), Association of Southeast Asian Nations (1967), Group of 24 (1971), Society for Worldwide Interbank Financial Telecommunication (1973), Group of 8 (1975), the Group of 30 (1978), Organization of Eastern Caribbean

States (1981), Gulf Cooperation Council (1981), South Asian Association for Regional Cooperation (1985), World Trade Organization (1994), and the Group of 20 (1999).

These organizations have helped politicians and bureaucrats create treaties and agreements that are the foundation of a world economic system – the General Act for Pacific Settlement of International Disputes (1929), the Oslo Agreements (1930), the Bretton Woods Agreement (1944), the General Agreement on Tariffs and Trade (1947), the Asia-Pacific Economic Cooperation (1989), the European Free Trade Agreement (1992), the North American Free Trade Agreement (NAFTA) (1994), the Dominican Republic-Central America Free Trade Agreement (2004), the South Asian Association for Regional Cooperation (2004) and the Constitutive Treaty (Union of the South American Nations) (2008).

The goal of having a world government is still a couple decades away, but Big Brother has been and is working diligently to create it. Some of the building blocks of his world government have been and are the – League of Nations (1920-1946), International Criminal Police Organization (INTERPOL) (1923), United Nations (1945), International Court of Justice (1945), North Atlantic Treaty Organization (1949) and the International Criminal Court (2002).

Political unions have also been formed to lay the foundation of a world government. The major political unions of Big Brother are – the Western European Union (1948), Council of Europe (1949) and the European Coal and Steel Community (1951) which became the European Economic Community in 1957. It was renamed the European Union with the Maastricht Treaty on November 1, 1993. It has grown to 27 nations, with plans to expand.

Some other unions are the: Arab League (1945), Organization of American States (1948), Association of Southeast Asian Nations (1967), Pacific Islands Forum (1971), Cooperation Council for the Arab States of the Gulf (1981), South Asian Association for Regional Cooperation (1985), Commonwealth of Independent States (1991), Association of Caribbean States (1994), African Union (2002), Union of South American Nations (2008) and the Union for the Mediterranean (2008).

It is believed that eventually a North American Union will be created and then merged with the Organization of American States and the South American Union forming a Western Hemisphere Union. That super union will be merged with the European Union, a super Asian

Union, the African Union, the Mediterranean Union and the lesser unions to form a World Union – (a.k.a. a World Government).

Mark of the Beast

The Bible predicts that in the future that “*no one should be able to buy or to sell, except the one who has the mark, the name of the beast or the numer of his name*” (Revelation 13.17). That “mark” most likely will be an implanted computer chip or a tattoo. Even today, if Big Brother told everyone on the planet they had to take his “mark” to be able to buy or sell there would be worldwide armed resistance. He knows this and has gradually conditioned the masses to eventually accept his “mark.” He has used one specific technology to create a “mark” system of buying and selling which virtually everyone in the Western world uses. That technology is the credit card. More than 90% of all transactions (buying/selling) in the West are made with credit/debit cards or electronically.

It will only be a matter of time before Big Brother intices most people to get an implanted computer chip or tattoo to replace credit/debit cards and all forms of identification. When he commands everyone on Earth to take his “mark” to be able to buy and sell the vast majority will take it because they have become conditioned to. Most people will already have a chip or tattoo.

Police state

No non-communist nation has become a police state overnight. Germany became a police state under Hitler after twelve years of struggle and more recently after decades of reforms. Italia became a police state under Mussolini, but it took just over one decade with help from Britain’s Secret Intelligence Service (MI6). America, the United Kingdom, France, Ireland and the Netherlands became police states after decades of reforms.

In America two major terrorist acts perpetrated by the bureaucrats in Washington D.C. paved the way for numerous laws to be passed turning the “land of the free and home of the brave” into a Nazi-style police state that Hitler would be envious of. Those two acts were the 1995 bombing of the A.P. Murrah Building in Oklahoma City and the attacks of September 11, 2001. The 1995 terrorist attack was perpetrated by members of the Bush crime family using the FBI and

BATF goons. The Bush crime family also pulled off the 911 terrorist attacks using the NSA, CIA, Joint Chiefs, FBI, NYPD and other organizations. The masterminds of that horrific attack were George H.W. Bush, Dick Cheney and Donald Rumsfeld. For details of the involvement of the Bush crime family in these terrorist attacks see Book Four, Chapter 33.

GPS tracking of vehicles, planes and ships

Big Brother desires to track every vehicle, plane and ship in real time 24-7. Even if he could develop the technology to do this overnight he could not impose it on the inhabitants of Earth without conditioning them to accept this insidious invasion of privacy. Most workers in the transportation industry are used to being tracked via GPS. Virtually all commercial trucks, taxis, limousines, courier and government vehicles have GPS transponders in them. This Big Brother technology is also working its way into vehicles sold to the public. The OnStar system is the most well-known GPS tracking system for private vehicles. It is sold as being a safety feature.

Eventually GPS transponders will be mandatory in all private, commercial and public vehicles. Motorcycles will be required to have them and maybe even bicycles. They will also become mandatory in all planes and ships.

GPS tracking of people

Most people do not want Big Brother to track them in real time or any time. The idea of government bureaucrats knowing one's every move is abhorrent to most people. Yet the vast majority of people in America and the Western world are voluntarily allowing Big Brother to track every place they go. If you own a cell phone Big Brother knows exactly where you are 24-7 as long as you carry it with you. To refresh your memory of this incredible fact of life see pages 90-98.

Conclusion

These are just a few examples of how Big Brother conditions people to accept his tyrannical technology. If you do not want to become an obedient zombie of Big Brother stop using his insidious technologies. Live the old fashioned way.
